biting other dogs. The police went

ON CHARGE OF BIGAMY

Karl Kobb, Who Married
Miss Edna Boyd, is
In Jail

HE HAD ANOTHER WIFE

Arrested While Spending
Honeymoon Near Pilot
Rock.

Carl Cobb, who was married to
Miss Edna Boyd, in this city, the
night of April 2, while lying in bed
claiming to be ill, was arrested Sat-
urday night near Pilot Rock, on a
charge of bigamy.

Cobb has a wife and child living
in Paducah, where it is reported he
goes by the name of Karl Kobb.

Early in the week he got well and
taking his bride, who is only 17 years
old, went to Pilot Rock to visit rela-
tives of the bride in both Christian
and Todd counties. The news of his
marriage was widely published and
the news of the Paducah family soon
reached the city.

The warrant for Cobb's arrest
was sworn out by Miss Beulah Boyd,
his victim's elder sister. He was
found in this county and brought in
by Sheriff Johnson and lodged in
jail. His examining trial will be
held April 17.

Kobb when seen in jail admitted
that he had a wife in Paducah but
said he was summoned to appear in
a divorce suit by his wife in January
and didn't go, and supposed of
course the divorce went by default.

Kobb is about 28 years old and his
father, who lives in Indiana, is ex-
pected here tomorrow. He has a
sister also in Evansville.

He was for several months clerk
in a Princeton hotel and met Miss
Boyd in January. Their wedding
was set for a week earlier, but there
was a hitch and it is said a telegram
purporting to come from his mother
was sent saying that he had been
divorced from his first wife.

The wedding took place at 9:15
Sunday night, Rev. C. M. Thompson
officiating. There is an unconfirmed
rumor that Kobb has still another
wife.

Mr. Jno. D. Boyd and Miss Beu-
lah Boyd, father and sister of the
deluded girl, went to the country
Sunday to bring her back home.

BUYING THE SECOND

Every family, regardless of financial
condition, recognizes the necessity
of Refrigeration during the summer
months. The first Refrigerator is
simply a Refrigerator. Then they
discover that THE REFRIGERATOR IS FURNITURE.

THE WHITE-CLAD APPEALS

BECAUSE of the simple elegance in finish and design.
BECAUSE of the snow-white lining.

BECAUSE of the heavy retinned wire shelves, adjustable
to any height.

BECAUSE of the heavy ice rack that protects the refrig-
erator from the bumps of the ice.

The price on this Refrigerator is so reasonable that you
are at least justified in seeing it before you buy.
